- Families whose children are hospitalized rarely have time to prepare meals. Our community kitchen is shared by many families and some children are immune-suppressed and cannot consume food that is already opened. For health reasons, we solicit individually wrapped snack / convenience food items for our families. The House is unable to accept donations of used clothing, used toys, and used stuffed animals. Please call if you have any questions about the most effective ways to help.
- You can also help the families by making a cash donation. For more information, please visit our website at www.rmhcsc.org/longbeach
